

South-Central Synod of Wisconsin
Evangelical Lutheran Church in America
God's work. Our hands.

August 3, 2016

Greetings to you all!

In the midst of these lazy, hazy days of summer, your campus pastors are hard at work preparing for this fall. And you can help them!

At our synod assembly a resolution was passed designating September 25th as Lutheran Campus Ministry Sunday. Included in this packet are materials to assist you in fulfilling this resolution. You'll find a bulletin insert, worship resources, and a sample of the offering envelopes to use for a special offering for campus ministry. If you would like more envelopes, just contact your synod office by Friday, September 9 and we'll get them to you.

You'll also find a student referral form. There are over 180 ELCA campus ministry sites at colleges and universities across the United States. If your congregation has students attending college this year, please fill out the enclosed form and return it to the address listed on the form. Campus ministry staff at your students' schools will be informed that they are coming to campus and will be able to invite students to participate in ministry activities.

Your campus ministry pastors and staff are eager to join you for worship. They can preach, have conversation with adult forums and/or set up displays. Often, students are available to join them and together share the impact campus ministry is having on their lives and in the lives of our young people. Contact information for the campus pastors is below.

Thanks in advance for your support of Lutheran Campus Ministry in the South-Central Synod of Wisconsin.

In Christ,
