## **Faith & Vocation Fellowship Covenant Agreement**

As a Faith & Vocation Fellow for the 2018-2019 Academic Year, I commit to:

1. Attend the weekly cohort meetings on Sunday afternoons from 2pm to 4pm. Cohort meetings will take place September 2 through December 9 and January 20 to April 28 (excluding April 14 & 21).
2. Serve in a partner ministry site an average of 10 hours per week during the academic year (excluding winter break and spring break) and document hours.
3. Meet with my on-site supervisor 1 - 2 times per month for conversation about what I am experiencing in my service.
4. Meet with Pastor Emily to reflect on how my work is going twice each semester.
5. Participate in two sessions with all of the fellows and on-site supervisors on Sunday, September 2, 2018 and Sunday, April 28, 2019.
6. Offer candid and honest feedback about the program in surveys twice during the year.

As a person committed to growing in spiritual leadership with others, I will:

1. Seek to grow in my understanding of what it means to follow Christ. I will look for God's presence in my daily life and embrace being challenged and challenging others.
2. Stay in relationship with my cohort, especially in challenging times. Rather than withdrawing or disengaging, I will be honest and proactive in my communication; I will stay at the table.
3. Be a team player, working in collaborative partnership with others. I will seek support when I need it and give support when others need it.
4. Keep confidentiality and trust within the group and at my ministry site. I will be honest and share openly with other fellows, but I will not share confidential information outside of the cohort group.

In all these things, I will approach my sisters and brothers with humility and grace.
